

Apple at Fairfield University

Fairfield University fully supports the use of Apple® technology and is here to assist students, parents, faculty, and staff purchase technology that will help them succeed during their academic career and beyond.

At Fairfield University, shopping on the [Apple site](#) is a great way to take advantage of Apple education pricing on Mac® computers, Apple software, and select accessories. It's also an easy way to purchase an iPad®, Apple Watch® or iPhone® and gives you customization and personalization options.

Shop Apple online 24/7 and get free delivery right to your door. You can also choose to pick up your order at a local Apple Store.

Please remember that Information Technology Services *strongly recommends* purchasing **Extended Warranties** which are include in our bundles below and/or **Accidental Insurance** which can be purchased through 3rd-party vendors who are not affiliated with Fairfield University (*not included in our bundles*). **NOTE: AppleCare+ covers 2 incidents of accidental cosmetic and/or internal damage.**

Why Mac for College

Everyday applications that work together. The Mac makes everyday things — like doing research on the web, sending email, and managing assignments and class schedules — amazing.

Designed to be a better computer. Built for durability and full of the latest technological innovations, a Mac is amazing from the moment you take it out of the box — and wherever you take it after that.

It's compatible with your stuff. A Mac easily finds Wi-Fi hotspots and connects to the school network. It also works with almost every printer, camera, and Bluetooth®-enabled device out there.
