Biography

Donald E. Gibson is Vice Provost for Academic Affairs and Professor of Management at Fairfield University. He was formerly Dean of the Charles F. Dolan School of Business. Professor Gibson's research examines organizational role models, emotions in management, anger in the workplace, and conflict management. He has articles published in *Organization Science*, *Journal of Management*, *Journal of Vocational Behavior*, *Academy of Management Perspectives*, *Current Directions in Psychological Science*, and *Journal of Business Ethics* among others, and a book for practicing managers, *Managing Anger in the Workplace*.

Dr. Gibson received his MBA and Ph.D. from UCLA and was previously a professor in Organizational Behavior at Yale. He also has served as Program Chair and Executive Director of the International Association for Conflict Management, a professional organization whose mission is to understand and improve conflict management in family, organizational, societal, and international settings. Prior to entering academia, Dr. Gibson worked in the entertainment industry in Los Angeles, managing post-production and distribution for television shows and motion pictures at Lorimar Productions.

Faculty Listings are departmental listings of faculty members located on fairfield.edu. These pages are managed by marketing.

Getting Started

Please follow these steps to make sure your Faculty Profile is visible and accessible from www.fairfield.edu.

1. **Update your information (Biography, Work History, Publications, etc.) in Digital Measures**
2. **Enable your Faculty Profile to be Visible**

Enable Your Faculty Profile

Showing/Hiding Your Profile

1. Each faculty member is required to make their faculty profile public and searchable. To turn your profile on, scroll down on your Manage Activities page to the Faculty Profile and click on Manage your Faculty Profile.
2. Set the *Do you want to have a Faculty Profile?* option to Yes. If you want your office location and phone number to be visible on your profile then choose 'Yes' on the *Show my office location and phone on my faculty profile*.
3. Make certain you click the SAVE button in the upper right-hand corner to save your selection.

You are currently managing data for **Faculty Profiles**.

Edit Manage your Faculty Profile

Faculty profiles contain information from your biography and expertise, research articles, and teaching. They will be available on both the Fairfield University website and to external sites and searches.

Faculty Profiles FAQ

How Do I Access My Digital Measures Account?

To Log Into Digital Measures

Visit my.fairfield.edu, log in with your **Fairfield Net ID** and current password, then search for and choose the **Digital Measures** Task.

The screenshot shows the search results for 'digital measures' on the my.fairfield.edu website. The search bar at the top contains 'digital measures' and a search button. Below the search bar, the results are displayed as a grid of task cards. The first card, 'Digital Measures Activity Insight', is highlighted with a blue border. Other visible cards include 'Design and Digital Print Services Website', 'Net Price Calculator Website', 'Library Databases Library', and 'E-Copy Printing & Graphics Services E-Cop...'. The user's name 'Jay' is visible in the top right corner.

What Information does Faculty Profiles Display

At this time only the following types of data from Digital Measures is displayed on a faculty profile:

- Overview
 - Biography
 - Teaching Interests
 - Research Interests

- **Teaching**
 - **Current Term Courses***
 - *Data in this field is not user accessible as it is provided directly from Banner*
 - **Notable Courses Taught**
 - *User must select course(s) from teaching history (or manually added courses from a previous institution) to be listed).*
 - **Publications**
 - **Honors & Awards**
-

We are aware that your profiles may not display your information in the way that you would like. As such we have started compiling new feature request for future updates to the Faculty Profile website.

This list currently includes the following:

1. **Display of Contracts, Grants, Fellowships and Sponsored Research**
2. **Display of Notable Publications**
3. **Provide Link to Digital Commons entries**
4. **Rank 'Work History' entries**
5. **Artistic and Professional Performances and Exhibits**
6. **Residencies**
7. **Provide choice for publication style (i.e. APA, Chicago, etc.)**
8. **Scholarship Listing**
9. **Allow Linking to online publications**
10. **Display Work History**

If you want to suggest a new feature not listed here, please go to the [ITS Support Portal](#) and submit a service request detailing your request (screen shots are appreciated).

These will provide a more comprehensive listing of your activities in Faculty Profile. But for now it is suggested that you not try to list these items under the Publications or Honors & Awards fields as you would then be required to correct them once these added fields do become available. Please continue to use the appropriate Digital Measures fields for your data even if they are not displaying at this time.
