

Wireless Network Registration

Faculty, staff, and students can register their university computer and/or personal computer from on or off campus and mobile devices can only be registered while on campus.

[How To Unregister Unused Devices](#)

When connecting to a network, enter Fairfield (with only the first 'F' capitalized) for the security key when prompted.

Wireless Access Policy

Please read the complete [Computer Systems Acceptable Use Policy](#) before registering to the network.

For further assistance, please visit the ITS4U Help Desk located in the library room 215 or call 203-254-4069 during business hours.

Hours can be found here: [ITS4U Help Desk Hours of Operation](#)
