

wepa - Send, Swipe, Grab

Fairfield University now uses [wpa](#) to manage its public-access printers. [wpa](#) (**W**ireless **E**verywhere, **P**rint **A**n anywhere) , allows users to send their print jobs to the cloud, and then release them at their convenience from one of the 15 (and growing) kiosks around campus, as well as from any [wpa](#) kiosk in the country.

wpa kiosks have been placed in the following locations:

- Bannow Science Center: 1 on the second floor in the seating area at the top of the atrium stairs
- Barone Campus Center: 2 kiosks near the information desk
- DiMenna-Nyselius Library: 2 in the information commons, 1 on the upper level, 1 in the 24 hour lab
- Dolan School of Business: 1 in the main lobby and 1 in the classroom wing lobby
- Walsh Athletic Center: 1 in the resource center
- McCormick: 1 in the second floor lounge
- Canisius: 1 on the first floor by the elevator, 1 on the second floor by the elevator
- 47 Mahan: 1 in the first floor lounge
- Egan School of Nursing and Health Studies: 1 on the first floor at the end of the hall, 1 on the fourth floor at the end of the hall

wpa Print Station Status and Locations

How to Print using [wpa](#):

1. Send a print job to [wpa](#) (see the how-to guides linked below)
2. Swipe your StagCard at a kiosk
3. Select a print job, and opt to pay with your StagCard
4. Swipe your StagCard when prompted.

How to Add Printing Funds

For Stag Card and temporary print card holders, printing funds can be added using one of the terminals located in the Library Cafe, and by the ATM in the Barone Campus Center. You will see the updated balance reflected as the "Stag Card balance" at the [wepa](#) kiosk. The "Account Balance" will not change.

For Stag Card holders, funds can also be added by going to stagcardonline.com and adding Stag Bucks to your account.

How to Print (Android or Apple device)

- Android: [Android Mobile App](#) | [wpa Support](#)
- iOS: [iOS Mobile App: iPhone / iPad Uploading](#) | [wpa Support](#)

How to Print via Web Upload: [Web Uploads](#) | [wpa Support](#)
